Dear Parents

We would like to give some feedback regarding the past term's activities and also share some important information you need before resuming the last school term.

Thank you for the way you handled this very disrupting time. We realise the sacrifices parents are making to ensure that their children attend school. The one-day-on-one-day-off of the Intersen Phase and the week-on and week-off of the Foundation Phase could not have been easy to maintain. I am however very proud to state that the majority of learners attended school diligently. There are however still individual learners who received exemption of compulsory school attendance who are still not back.

## **ACADEMICS**

**Academic Reports:** You have received your child's report today. We are not going to be holding our parent-teacher meetings to discuss results next term. Any parent who would like to see a teacher personally to discuss academic achievements are welcome to do so. Please contact the school office for an appointment.

**School reopening:** The fourth term commences on Monday 2 November. All learners will return to school as follows:

- **Foundation Phase (Group A):** Monday 2 November. Screening 07:00-07:30. Classes begin at 07:30. Learners will dismiss at 12:00.
- **Foundation Phase (Group B):** Monday 9 November. Screening 07:00-07:30. Classes begin at 07:30. Learners will dismiss at 12:00.

To comply with the COVID-19 regulations the examination format differ from previous years. We are going to make use of two sessions per day:
